Making A Claim

If **you** need to make a claim, please telephone the claims number shown on **your schedule**.

How We Settle Claims

Information on how we settle claims is shown on **your schedule**.

Underinsurance

You must always make sure that the **sums insured** shown in **your schedule** are adequate.

- i. **Buildings** should be insured for the full cost of rebuilding the **buildings** in the same form, style and condition as new plus an amount for architects', surveyors', consulting engineers and legal fees, debris removal costs and other costs to comply with government or local authority requirements.

Please note that the rebuilding cost of **your home** may be different from its market value.

- ii. **Contents** should be insured for the full cost of replacement as new.

Proportionate remedy

If the cost of rebuilding the **buildings** is more than **your sum insured** at the time of any loss or damage, then **we** will proportionally reduce the amount of any claim payment made by the percentage of under payment of **premium** which has arisen as a result of the shortfall in the **sum insured**. For example, if the **premium you** have paid for **your buildings** insurance is equal to 75% of what your **premium** would have been if **your buildings sum insured** was enough to reconstruct **your buildings**, then **we** will pay up to 75% of the claim made by **you**.

Special Claim Conditions

The following conditions apply to all claims:

- **We** need **your** assistance to assess **your** claim and **you** should provide **us** with all the information **we** require. If **you** do not, **we** reserve the right to deny **your** claim if **our** ability to assess **your** claim has been prejudiced as a result.
- **We** control the claim and **you** should not admit, deny, negotiate or settle a claim without **our** consent.
- **You** may make temporary emergency repairs to prevent further damage.
- **We** have the right to enter a building affected by the claim and take possession of any insured property, but **you** may not abandon the property to **us**.
- **We** may take complete control of any proceedings in **your** name and on **your** behalf.
- **We** may take proceedings against any other person in **your** name, to recover any payment **we** have made under this **policy**, at **our** expense.
- **You** must not dispose of any damaged items without **our** consent.
- If **you** are unable to provide proof of purchase or ownership, **we** may pay a reduced amount.
- **You** must provide **us** with evidence of value or age (or both) for all items involved in a claim.
- If there has been a theft, **you** must take any reasonable extra precautions **we** ask for.
- **We** will not pay any claim if any loss, damage or liability covered under this **policy** is also covered wholly or in part under any other insurance.
- If **you** make a fraudulent claim under this insurance contract:
 - a) **We** are not liable to pay the claim; and
 - b) **We** may recover from **you** any sums paid by **us** to **you** in respect of the claim; and
 - c) **We** may, by notice to **you**, treat the contract as having been terminated with effect from the time of the fraudulent act.
- If **we** exercise **our** right under clause (c) above:
 - a) **We** shall not be liable to **you** in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to **our** liability under the insurance contract (such as the occurrence of a loss, the making of a claim, or the notification of a potential claim); and,
 - b) **We** need not return any of the **policy payments** paid.
- Where **we** have accepted a claim but there is a disagreement over the amount payable, the dispute will first be referred to an arbitrator. The arbitrator will be appointed jointly by **you**

and **us** in accordance with the law in force at that time. When this happens, legal proceedings cannot be started against **us** unless the arbitrator has reached a decision.

Premium Payments

This is an annual insurance **policy** and **your policy payment** is collected on either a monthly or annual basis depending on the **payment option you** selected (as confirmed on the **schedule**).

We will not make any payment under this **policy** unless **you** have paid the **policy payment** due to **us**.

Amending The Terms

We may amend the terms of this **policy** when **you** tell the **administrator** of a change in circumstances which will affect this **policy**.

Cooling Off Period

You are entitled to cancel this **policy** by contacting the **administrator** within 14 days of either:

- Non-cooperation or failure to supply any information or documentation **we** request;
- **We** establish that **you** have provided the **administrator** with incorrect information;
- Failure to take reasonable care of **your home**;
- **You** breach any terms and conditions of **your policy**.

Where possible, **we** will try to seek an opportunity to resolve the matter with **you**.

This will not affect **you** right to make a claim for any event that happened before the cancellation date.

If a claim has been submitted, or there has been any incident likely to give rise to a claim during the **period of insurance**, no refund for the unexpired portion of the **policy payment** will be given. If **we** cancel this **policy**, **we** will not return any **policy payment** you have paid.

If any month's **policy payment** is not paid for any reason, **you** will receive a letter from the **administrator** asking for payment so that the insurance can continue. If the **administrator** does not receive payment within 30 days from when it was due, the insurance will stop from the end of the last period for which a **policy payment** was received.
