Cooling-off period

We hope that you will be happy with your insurance policy. However, if this policy does not meet your needs, you have 14 days from either the inception date of the contract or the date on which you receive the full terms and conditions of the contract, whichever is later, to cancel this policy and get a full refund. (We will not give you a refund if you have claimed for the total loss of your vehicle or an incident has happened where you could make a claim for a total loss).

Your and our rights to cancel your policy

After the 14 days cooling off period, if no claim has been made during the current period of insurance, a refund will be given based on the annual premium, on a proportional (pro-rata) basis.

If a claim has been made in the current period of insurance, where we have been unable to recover our outlay (excluding solely glass claims and/or solely emergency medical treatment claims), we will retain the full annual premium.
